Dear Parents and Candidates:

Please note all sessions are on Sunday. We tried to keep everything consistent so we do not cause conflict with school activities. We do realize having two of them on a Sunday Morning prevents some from attending 10:30 mass however we weighed the options and this seemed to be the less inconvenient. Please feel free to contact me if you have any questions or concerns. As always we are looking forward to working with you and your child during this very special time.

Peace and Smiles

Linda Salmons
