Dear Servers, Thank you so very much for your dedication to this ministry. You are certainly appreciated. If you cannot serve your appointed time please find a replacement. I have tried to schedule everyone around the ushers and E.M's schedule so that you can serve with your family. I will begin the April and Easter schedule around March 15. Please let me know what dates you are not available and I will schedule around it. At that time I will be scheduling for Holy Week as well. Keeping all of you in prayer.
