Extra Activity: Youth & Sponsors	TBD	All Day Retreat	Carey Shrine fieldtrip

Dear Parents and Candidates:

Please note this calendar has been carefully created with the consideration of all in mind. We understand how busy your schedules get especially if more than one child participating in extracurricular activities. With that being said our sacramental prep meetings will be Sunday mornings at 9:00 a.m. in St. Anthony's Church. **This will help us eliminate extra meetings and continue to provide everyone with the proper social distancing.** Please feel free to contact me if you have any questions or concerns. As always we are looking forward to working with you and your child during this very special time.

At this time, masks are not required; however, it is up to each individual their preference. Please contact me if you have any questions or concerns.

Thank you so much for your cooperation.

Peace and Smiles
