Good Afternoon Everyone, I hope you are all staying safe and healthy. Attached is your new schedule for March. I have tried to schedule everyone around the Ushers and Altar Servers schedule. If you cannot serve your appointed time please find a replacement. Hopefully soon we will have more of our ministers able to join us. I will begin the April & Easter schedule around March 15 so please let me know if there are dates you cannot serve. At that time I will also schedule Holy week and Easter.
Stay safe, stay healthy.
