Sunday	5/1/2022	First Communion St. Mary's	

Dear Parents, Please note:

For the sacramental students we have combined the Sacramental prep classes within our class day schedule; however we will not have class on that day. We will meet in Church for our sacramental prep. **It is our sincere hope that in doing this we are able to limit any extra gatherings. Also masks are not required at this time however this could change depending on situations with the virus and we will respect your decision should your child wear one.**

Parents, students and sponsors are requested to attend the **Confirmation Prep** where indicated.

Thank you for your patience and understanding.

Sincerely Yours in Christ

Linda Salmons
